

**From the Desk of Bishop J. Berry Adkins**

Greetings.

It's time to get to work. We have spent the past two years preparing for this moment. We have renewed our praise. We are more mature now. We have a new outlook on our Christianity. It's time to get to work in service for the Lord.

Service is our theme for this year. We should serve as Jesus served. It states in Mark 10:45, "For the Son of man also came not to be ministered unto, but to minister, and to give his life a ransom for many." (ASV) This means that we must be of service to others. We can no longer stay within the confines of the walls of our church. We must get out and let a dying world know about the Good News. The Good News is that Jesus was born, lived, crucified, died, resurrected, and will return to get us.

Remember, that in serving God we must serve Him with all of our hearts and with all of our souls. I encourage you to find a place to serve where your heart is. Find your place in ministry and get to work as soon as possible.

Be blessed this year as you serve the Lord with gladness.

Praising God for His Works,

*Bishop J. Berry Adkins*
