

# The House of Worship Fellowship of Churches

The House of Worship Fellowship of Churches is a group of churches that are offspring of the [Hill Chapel House of Worship](#).

These churches were started by ministers that were once part of the Hill Chapel HOW family. Each minister felt the call of God to start a church. Pastor Luther James believes in kingdom ministry and all ministers that feel led to begin a church as allowed to do so with the blessing of the pastor and the church.

All of the churches fall under the leadership of the [Greater Buelahland Fellowship](#).

All churches in the House of Worship Fellowship of Churches host a Family Togetherness Symposium since family is the main focus of the church. Also, each church hosts a Christmas Eve Service.

Please visit a House of Worship Fellowship of Church whenever you are in one of our cities.
